

# ALL-NEW TOURNEO CUSTOM

[www.ford.co.za](http://www.ford.co.za)

**Go Further**

**TOURNEO CUSTOM** short wheelbase 8-seater (4972mm).

**TOURNEO CUSTOM** long wheelbase 8-seater (5339mm).

# Share the memories

With a multitude of flexible seating configurations, **TOURNEO CUSTOM** helps make every outing unforgettable.

## Space to spare

The new **TOURNEO CUSTOM** long wheelbase (5339mm) offers even more luggage space as well as unbeatable room for passengers and their belongings.

### Tow with confidence

We condensed ten years of driving into a non-stop six-month test over different road conditions, most of which was spent towing a fully laden trailer. The **TOURNEO CUSTOM** passed with full marks.

### Proven Duratorq diesel engine technology

Renowned for its reliability and efficiency, the **TOURNEO CUSTOM's** 2.2-litre Duratorq TDCi engine comes with a choice of two power and torque outputs.

# Engineered for durability. Tested for toughness

Like all Ford Transits, **TOURNEO CUSTOM** has durability in its DNA. A relentless testing programme ensures that it's a vehicle that lasts.

## High-mounted headlights

Powerful projector-style headlights are located safely out of harm's way.

## Multi-piece bumpers

Smart front and rear bumpers feature a multi-piece design to help keep repair costs low.

## Tested for endurance

Extensive testing included a two-month maximum speed test and demanding low-speed city drive cycles to imitate typical unforgiving delivery schedules.

## Pushed to extremes

From frost-covered prototypes started up in -40 °C at 4 500-metre altitudes, to sun-baked vehicles towing fully laden trailers up long inclines in 50 °C heat, **TOURNEO CUSTOM** has been pushed to extremes.

## 300 000 door shuts

We opened and closed the doors and bonnet over 300 000 times in real-world conditions to help ensure they will not let you down.

## Obsessively driven

During its development, we test drove **TOURNEO CUSTOM** for hundreds of thousands of kilometres. It's a bus you can rely on, right down to the smallest ball bearing.

## 5-year Corrosion Warranty

The new **TOURNEO CUSTOM** owes its durable exterior to a thorough multi-stage painting process. From the wax-injected steel body sections to the water-based top coat, new materials and application processes ensure it is not only virtually solvent-free, but will also retain its good looks for many years to come.

For more details, please refer to warranty guide.

Zinc coating

Phosphate  
spray coat

Electrocoat

Water-based  
top coat

Clearcoat lacquer

# Make your work a pleasure

With its exceptional levels of comfort, craftsmanship and refinement, as well as a host of thoughtful features, Ford **TOURNEO CUSTOM** is an absolute pleasure to drive.

Leather seats not available. See trim options on page 12.

## Allergy-friendly interior

**TOURNEO CUSTOM**'s interior uses materials that minimise the risk of an allergic reaction. Models fitted with air-conditioning also have a high-performance pollen filter to prevent dust and pollen entering the passenger compartment.

## Fully adjustable driver's seat and steering wheel

An eight-way adjustable driver's seat with armrest, as well as a steering wheel that adjusts to suit your height and arm length, help you find your ideal driving position with ease.

## 10.9 m turning circle

With its class-leading 10.9 m kerb-to-kerb turning circle, the short wheelbase (4972mm) **TOURNEO CUSTOM** is the ideal choice for demanding city work.

## Torque Vectoring Control<sup>®</sup>

Designed to improve traction, roadholding and agility when cornering by continuously optimising the engine torque distributed to each front wheel to match the amount of grip each has available. The result is a more rewarding driving experience. (Standard)

<sup>®</sup>Uses sensors. (Refer to user manual for more details)

# Making every drop of fuel count

Ford Technology, combined with efficient aerodynamics, has resulted in outstanding fuel economy across the range.

## Impressive CO<sub>2</sub> emissions

The new Duratorq TDCi diesel engines are remarkably fuel efficient, with combined fuel consumption from as low as 6.5 l/100 km\* and CO<sub>2</sub> emissions of only 172 g/km.

\*Ford manufacturer claim.

## Shift Indicator

Advises you when to change gear for maximum fuel efficiency. (Standard)

## Power and torque

TOURNEO CUSTOM's 2.2 Duratorq TDCi diesel engine is available in two power and torque configurations:

- 74 kW/310 Nm
- 92 kW/350 Nm

Transmission is six-speed manual across the range.

A standard front-wheel-drive configuration pays dividends for you and your passengers. Take advantage of generous headroom, improved fuel economy and even more luggage space.

### Trailer Sway Control\*

When it detects trailer sway, the system is designed to reduce engine torque and apply the brakes to the appropriate wheel(s) to help restore control.

(\*Standard with tow bar fitted at dealer)

### Traction-control System

If wheel slip is detected at low speed, this system can distribute more torque to the wheel with most traction.

### Emergency Brake Assist<sup>o</sup>

Designed to recognise an emergency braking situation and increases the pressure within the braking system to provide extra stopping power.

### Emergency brake warning

Front and rear indicators automatically flash during heavy braking, giving other drivers advanced hazard warning.

### Drive-away locking

To prevent opportunistic crime, all doors automatically lock once the vehicle speed exceeds 8 km/h. The doors remain locked even if the vehicle slows or stops, although the driver or passenger locks can be released using the interior door handles. (Can be deactivated if required)

### Even better ride and handling

TOURNEO CUSTOM's renowned driving qualities have been fine-tuned with new, stiffer mounting bushes and brackets.

### Electronic Stability Programme (ESP)<sup>o</sup>

ESP is designed to help you maintain control in extreme driving conditions. It senses when you are deviating from your chosen line and aims to keep you on track by automatically regulating braking and engine output.

# Advanced protection, inside and out

A full line-up of passive and active safety features make use of the latest technology to protect the driver, passengers and their belongings.

## Impressive towing ability

With up to 1 600 kg maximum towing capacity, Ford **TOURNEO CUSTOM** offers impressive pulling power along with a range of safety features to help keep you and your trailer secure. From Hill Start Assist to Trailer Sway Control, you can tow with confidence and enjoy a safe and rewarding drive.

Tow bar not standard.

### Rollover mitigation<sup>®</sup>

Designed to identify a potentially dangerous driving situation and activate the ESP to restore stability.

### Load Adaptive Control<sup>®</sup>

Designed to adjust the responses of the ESP system to compensate when the vehicle is unladen, or partially or fully laden.

### Hill Start Assist<sup>®</sup>

Designed to temporarily prevent you from rolling down a slope when you move your foot from the brake pedal to the accelerator pedal. It works in forward and reverse gears, so it's ideal for towing and pulling heavy loads.

## Ford SYNC™

Enjoy hands-free communication and entertainment with Ford SYNC™. The voice-controlled system allows you to play music, make and receive hands-free calls and choose contacts from your phone's contact list with a simple voice command. It will even read your incoming text messages out for you. Delivering convenience and safety, SYNC's™ voice-activation means you will be able to keep your hands on the wheel and your eyes on the road. (Standard on Trend, optional on Ambiente)

## Mobile phone

Phone book download for easy dialling and photo browsing

- Text messages read-out
- View call log • Caller ID
- Conference calling
- Mute • Call waiting

## Audible SMS text messages

Depending on your phone model, the SYNC™ system allows SMS messages to be said to the user, via Text-to-Speech (TTS).

## Bluetooth® Audio Streaming

Stream your music collection from your compatible MP3 player or mobile phone to the vehicle's audio system.

## Media player

The USB port supports both audio and music information in the display with one cable - ie. No need to use the double cable plugged into both USB and 3.5mm aux socket. Mobile phone and media players can be charged via the USB port.

**Note:** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners.

# Intelligent features that make life easier

There's enough to think about when you're working. That's why the **TOURNEO CUSTOM** has features that help lighten the load.

## Cruise control with Adjustable Speed Limiter

Allows you to set a maximum speed that cannot be exceeded. (Standard on Trend, optional on Ambiente)

## Parking distance sensors, front and rear

With the Ford **TOURNEO CUSTOM**, you won't have to pass by those more challenging parking spaces. An audible warning helps you safely judge the distance between your vehicle and obstacles at the front and rear, for easier parking and manoeuvring. (Optional)

## Power-foldable mirrors

Ideal when parking in narrow streets. (Standard on Trend)

**TOURNEO CUSTOM** short wheelbase (4973mm).

**TOURNEO CUSTOM** long wheelbase (5339mm).

### Flexible rear seats with tilt function

Each seatback can fold forward to create a flat workspace. The whole seat can fold forward again to take up minimal space. For more room, each seat can be removed. The flexibility of this new seating system can create over 30 different seating and loadspace configurations to suit any occasion.

Leather seats not available in SA.

### As flexible as you need it to be

Whatever you're carrying, from passengers and luggage to unexpected loads, the Ford **TOURNEO CUSTOM** is versatile enough to find space for them all. Use all seven seats to accommodate occupants in luxurious comfort. Or fold, tumble or stow the second- and third-row seats in more than 30 different ways to create limousine-like space or to maximise the luggage area.

Leather seats not available. See trim options on page 12.

## Smart seating solutions

The generously proportioned interior of the Ford **TOURNEO CUSTOM** unites space with smart versatility. It can carry eight in complete luxury, or be easily reconfigured to offer up to 6.8 m<sup>3</sup>, SAE, (6.0 m<sup>3</sup>) of luggage space.

Available as an accessory.

### Retractable roof-rack

Holds 130 kg of cargo and, when not in use, folds level with the roof line to improve fuel economy and reduce wind noise. (Available as accessory)

Leather seats not available. See trim options on page 12.

### ISOFIX child seat fixing points

For enhanced passenger safety, ISOFIX child seat attachment points are available on the centre and driver's side seats of the second row, and the centre seat of the third row.

### Dual side load doors

Wide-opening sliding side load doors enable easy access to the passenger compartment. (Standard)

### Running boards

Make getting in and out even easier, while enhancing **TOURNEO CUSTOM's** luxurious style. (Standard)

# Make it yours

Choosing the colour and trim for your new Ford **TOURNEO CUSTOM** is an opportunity to make a bold style statement.

Stratosphere  
(Metallic\*)

Midnight Sky  
(Metallic\*)
